

Cajon High School

SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT
Teenya Bishop, Principal

June 24, 2019

Dear Parents/Guardians,

Working within state and district guidelines, the Cajon School Site Council (SSC) is a decision making body composed of parents, students, staff and administrators. The School Site Council provides input to the school improvement process. The council reviews the school's Single Plan for Student Achievement and helps to plan the spending of the school's categorical funds. Everyone is invited to attend and participate in these meetings; however, the elected voting members make final decisions. Cajon currently has two openings for parent representative to the SSC and are accepting parent nominations for Cajon High School's School Site Council.

The SSC meets monthly during the school year. Generally, the meetings are held the third Thursday each month from September through May. Dinner and childcare are provided. If you are interested in running for one of the two parent seats on Cajon's School Site Council, please complete the information on the back of this letter and return it to the school during the registration process. Voting for parent nominees will be held during the school's annual Back to School night.

Even if you are not able to serve as a parent representative, we hope that you will join us for the Cajon School Site Council and share your opinions on how to make our school an even better place!

Sincerely,

Tawiah Finley
